# Cultures of the World

A SERIES OF PROGRAMS INTRODUCING & CELEBRATING CULTURES FROM AROUND THE WORLD

## Academy of Danse Libre

All ages  
welcome!

**Saturday, January 12 • 2 p.m.**  
**Library Meeting Room**

One of the nation's premier vintage dance groups, the Academy of Danse Libre performs a variety of breathtaking pieces from the 19th and early 20th centuries in authentic period attire. Each dance brings a bygone era back to life, complete with the music, footwork, dress, and mannerisms of the time. Through the accurate recreation of these historical periods, audiences are introduced to a rich and evolving culture of dance. For this engagement they will be performing English Country Dances of the Regency Era (the period of Jane Austen).

**Free tickets will be distributed in the Children's area beginning at 1:30 p.m.**
