

CITY OF PLEASANTON
EXECUTIVE TEAM
VALUES STATEMENT

We value **communication** by actively listening and sharing information through open and honest conversation.

We value **service** by being professional, courteous, and responsive to others internally and externally.

We value **leadership** by setting the example, being visionary, thoughtful, strategic, supportive, and public service oriented.

We value **collaboration** by engaging in cooperative work across departments, and promoting teamwork.

We value **integrity** by doing what is right, being accountable for our actions, and demonstrating trust and transparency.

We value **compassion** by keeping an open mind, assuming the best of others, and taking actions that promote a safe and supportive work environment.

We value **learning** by providing opportunities for professional growth and development throughout the organization.
