Update – Armed Robbery (Case #16-6436/6487)

While conducting a tenacious and detailed follow-up investigation into the robberies at the Stoneridge Shopping Center, detectives identified the third and final suspect. The suspect was taken into custody by the Oakland Police Department. This suspect is a juvenile and identifying information will not be released at this time. All three suspects (ages, 15, 16 & 17) have been interviewed and admitted to their involvement in both of the cases.

While the events of this past weekend are certainly unusual for Pleasanton and equally unusual for the Stoneridge Shopping Center, The Pleasanton Police Department remains committed to maintaining the safety of our community.

Those who enjoy shopping in Pleasanton are encouraged to be vigilantly aware of their surroundings. Any suspicious activity should be reported to the police department.
