### Traffic Collision

On February 22, 2016 at about 2: 26 P.M. an 81 year old female was driving through the Post Office parking lot located at 4300 Black Ave. As she attempted to park her vehicle in a stall, it appeared she had a medical emergency causing her to lose control of the vehicle and accelerated onto the sidewalk in front of the Post Office and colliding with the building. The collision occurred at low speeds and there was only minor damage to the building. No one else was injured.

The female driver was transported to Valley Care Medical Hospital and is recovering. A traffic collision report was written.
