### PLEASANTON ACCEPTING APPLICATIONS FOR PTOWNLIFE.ORG YOUTH WEB TEAM

PLEASANTON, *Calif.* — The City of Pleasanton is currently accepting applications for the *Ptownlife.org* Web Team, open to all Pleasanton residents entering grades 8 through 12 in the fall of 2016. *Ptownlife.org* serves teens and families with children of all ages, providing a bridge between the community and an array of activities, services and resources, as well as youth job/volunteer opportunities.

The youth-centric site's web team is comprised of Pleasanton teens who work with city staff to guide its design and content and assist with the overall management and marketing of the site. Students promote the site, report on new and interesting things happening in the community, take photos, and write articles to post on the site and gain valuable work experience along the way.

To be considered for the opportunity, interested students must be willing to commit to:

- a one-year term (from August 2016 to August 2017) to ensure website consistency
- 1.5 hours per week working on the website in city offices
- two mandatory trainings scheduled in August 2016 and January 2017 (dates TBD)

Applications are being accepted through Friday, April 29, 2016 and can be downloaded at <http://ptownlife.org/contributing-ptownlife>

Return completed application, along with a work sample, to Gingerbread Preschool at 4333 Black Avenue, or email to [info@ptownlife.org](mailto:info@ptownlife.org)

All applications will be reviewed and qualified participants will be contacted for interviews to be scheduled on May 10 and May 11 from 3:30 - 5:30 p.m.
