### Police Pursuit (16-20578)

On Thursday, June 09, 2016 the Pleasanton Police Department received an advisory from Alameda County Sheriff's Office to "be on the lookout" for a stolen vehicle that may be in the Pleasanton area. It was reported that the stolen vehicle was driven by a subject wanted for assault with a deadly weapon in addition to stealing the vehicle.

At approximately 2:45 p.m. Pleasanton Police officers spotted the vehicle and attempted to pull it over. After the driver refused to pull over a pursuit began. After several minutes the pursuit ended in a collision at the intersection of Valley Avenue and Crestline Road.

The suspect, 35 year old Christopher Mero (pictured) was promptly taken into custody without further resistance. Nobody was injured during this incident.
