REMINDER ABOUT NEW TRAFFIC SIGNALS INSTALLED IN FRONT OF AMADOR VALLEY HIGH SCHOOL

PLEASANTON, *Calif.* — The City of Pleasanton would like to remind everyone that school is starting on Monday, August 15, 2016 and urges drivers to exercise additional caution and watch for students traveling to school on bike and on foot.

As part of the City's ongoing efforts to keep our streets safe and improve traffic flow, two new traffic signals were recently installed, located on Santa Rita Road, in front of Amador Valley High School. The signals will be timed appropriately to sync with the other traffic signals to help drivers navigate safely and efficiently along Santa Rita. After review of the existing circulation patterns, City staff, in conjunction with the surrounding neighborhood and Pleasanton Unified School District (PUSD) staff, recommended the installation of traffic signals at both the north and middle driveways of the Amador Valley High School parking lot.

In addition to the traffic signals, there will also be a new sidewalk along the north edge of the school property and modification of the north and middle parking lot driveways to further improve circulation and safety.

If you have any questions, please contact Ed Evangelista at 925.931.5667 or eevangelista@cityofpleasantonca.gov.
