2017 TRI-VALLEY GRANT APPLICATION WORKSHOPS

Two Workshops to be Held in December

PLEASANTON, *Calif.* — The cities of Livermore and Pleasanton will co-sponsor two workshops for the following fiscal year 2017-18 grant programs: City of Livermore Housing and Human Services Grants; City of Pleasanton Housing and Human Services Grants and City of Pleasanton Community Grants – Youth/Civic Arts. Workshops will be held on December 9 and December 14, 2016 and are designed for nonprofit organizations serving Tri-Valley residents.

The grant programs offered by the two cities provide funding for a wide variety of human services, community development, housing, youth, and civic arts projects and programs in the Tri-Valley. Most of the grants are focused on activities that benefit lower income residents. In the current fiscal year (2016-17), the cities are collectively providing over \$1.4 million to projects and programs including: medical visits and health care access for the uninsured; child abuse prevention services; meals and supportive services for seniors; mental health care; substance abuse counseling; domestic violence and homeless shelters; rental assistance for job training participants; fair housing counseling and tenant-landlord services; housing rehabilitation for low income homeowners; community cultural events; art projects and programs; and many more.

City staff will discuss the application processes and distribute application packets at the workshops. Attendance at one of the following workshops is mandatory in order to apply funding:
