### **Road Repairs on Hopyard Bring Traffic Delays** *Part of Ongoing Pavement Management Program*

PLEASANTON, Calif. — The City of Pleasanton is undergoing significant road work and repairs through the course of the summer, and updates will be provided with as much advance notice as possible. Major delays are expected on Hopyard this week, where crews will be putting the finishing touches on Hopyard Road between Black Avenue and Arroyo del Valle.

Work has been going on for the past few weeks in that area, but on Thursday, May 25 and Friday, May 26, crews will be out in full force for the final phase of repaving this stretch of roadway. Flagmen will be directing the one lane of traffic, and major delays are expected.

Please consider taking an alternate route to avoid the area on Thursday and Friday.
