Suspicious Person on School Grounds

On the morning of October 30, 2017, at about 1055 hours, an alert staff member at Village High School called the Pleasanton Police Department to report an adult male on the school grounds. The person was recognized by staff to be Trevhon Golden, a twenty year old male, who was not currently a student at Village High School. A check of Trevhon revealed two active warrants for his arrest. These included a felony warrant for burglary and a misdemeanor warrant for battery.

Officers responded to Village High School, located at 4645 Bernal Avenue, and located Trevhon near the rear of the school. As officers approached Trevhon he immediately started running. Officers followed Trevhon to a residence at the corner of Abbie Street and Whiting Street. K9 Falco was deployed and quickly located Trevhon hiding in the back yard where he was arrested without incident.

During this incident both Village High School and the Steam Preschool were placed on lockdown in an abundance of caution. Both lockdowns were released at 1129 hours.

We would like to thank the alert Village High School staff members for quickly reporting this incident. It is an excellent reminder to everyone to please contact the Pleasanton Police Department if they notice anyone suspicious on school grounds.
