DRAFT TRI-VALLEY HAZARD MITIGATION PLAN AVAILABLE FOR PUBLIC REVIEW *Comment Period Open December 12-26, 2017*

PLEASANTON, Calif. —The Tri-Valley cities of; Dublin, Livermore and Pleasanton, along with the Dublin San Ramon Services District (DSRSD), embarked on a planning process in March, 2017 to prepare for and lessen the impacts of specified natural hazards within the Tri-Valley with the development of the Tri-Valley Hazard Mitigation Plan, the draft of which will be available for public review and comment beginning on December 12-26, 2017.

In response to federal mandates as part of the Disaster Mitigation Act of 2000 (Public Law 106-390), the partnership was formed to pool resources and to create a uniform hazard mitigation strategy that can be consistently applied to the defined planning area and used to ensure eligibility for specified grant funding success.

The Tri-Valley planning partnership invites residents and other stakeholders to review and comment on the recently completed Tri-Valley Multi-Jurisdictional Hazard Mitigation Plan (HMP).

The 14-day public review period of the Draft Plan begins on Tuesday, December 12 and ends on Tuesday December 26 at 5 p.m., PST. A brief presentation regarding the draft plan and opportunities to receive public comment will be provided during this comment period at:
