90 Miles of Trails Currently in Pleasanton with Plans for More

PLEASANTON, Calif. — The City of Pleasanton would like to hear from you regarding our trails system and we're asking everyone who loves the outdoors to take a few minutes and complete this online survey here: <http://bit.ly/2msneAY>. Or you can go to our webpage at www.pleasantontrails.com and click on "Take the Survey."

The City currently has about 90 miles of trails with another 60 miles proposed. Help us prioritize which ones are most important to our community.

Please join us at the next Pleasanton Trails Master Plan meeting, which will take place on Thursday, January 18, from 6:30 to 8:30 p.m. at the Veterans Hall, 301 Main St.
