VA MOBILE MEDICAL OUTREACH TEAM TO VISIT LIBRARY

No appointment necessary: medical team and enrollment specialists will be on site

PLEASANTON, Calif. — The Pleasanton Library will host the VA Palo Alto Rural Health Mobile Medical Outreach Team to facilitate free examinations, consultations, and referrals for veterans. Additional VA resource information will be available. The event will run from 10 a.m. – 2 p.m. on Thursday, October 18. The library is located at 400 Old Bernal Avenue.

Veterans uncertain of their benefits eligibility are encouraged to visit as requirements have changed, and VA health care may complement current medical coverage. VA representatives will provide information or assistance with questions and enrollment for VA care.

Veterans should bring an extra copy of military discharge papers (DD214) and a list of current medications. For more information or assistance with obtaining proof of service documents prior to the event, contact the library's information desk, 925-931-3400 x4 or jeseltine@cityofpleasantonca.gov.

The City of Pleasanton Library has been a member of Veterans Connect @ the Library, a statewide outreach to Veterans sponsored by the California State Library, since 2013.
