### **PLEASANTON BUSINESSES RECOGNIZED FOR LONGSTANDING SERVICE**

PLEASANTON, Calif. — The Pleasanton City Council recognized 175 local companies for achieving 15, 20, 25, 30 and 40 years of business in Pleasanton at a presentation at the City Council meeting on October 16, 2018. The Council presented each business with a special recognition to commemorate its tenure in Pleasanton.

“Our city’s quality of life is closely connected to the success of our business community, and we are pleased to recognize and honor the milestones of these businesses,” said Pamela Ott, Director of Economic Development. “Pleasanton is home to companies across an array of industries and sizes—all of whom offer employment, services, and products to our residents. The Council’s recognition of these 175 companies offers a public opportunity to celebrate the value of these wonderful businesses and to thank them for their many years in Pleasanton.”

The full list of businesses recognized is available on the City’s website as Business Anniversaries List under the Business tab, and attached. For more information about the Business Anniversary Program and Pleasanton’s business community, please contact the City of Pleasanton Economic Development Department at (925) 931-5040.
