
ELECTRONIC BUILDING PLAN CHECK SUBMITTAL

The Building & Safety Division is only accepting electronic submittals for all plan check categories. Submittals do not become an active plan check until payment is received. There are three separate plan check categories, simple permits, express plan check and standard plan check.

Simple Permits: is for residential water heater, furnace/AC, and reroofs, residential re-pipe, private property sewer repair/replacement, electric service replacement ONLY. Any submittals that do not fall into these specific categories will not be accepted.

Express Plan Check: is for residential Kitchen or Bathroom remodels/repairs, residential remodel without structural, residential addition single story under 200 square feet after planning approval, residential accessory structures/sheds/patio covers/ arbors under 500 square feet, residential rooftop photovoltaic systems, residential electric vehicle chargers, signs after planning approval ONLY. Any submittal that do not fall into the categories above will not be accepted for express review.

Standard Plan Check: is for all other projects that do not qualify as a simple permit or express plan check.

Depending on the type and scope of the project, review and approval by the Planning Division may be required prior to submittal for building permits. Contact a planner in the Planning Division for more information at pod@cityofpleasantonca.gov.

ELECTRONIC SUBMITTAL INSTRUCTIONS

Applications may be submitted 24 hours, seven days a week by uploading the [Building Permit Application](#) and required submittal documents to our website. Applications are processed during normal business hours, Monday through Friday between 8 a.m. to 5 p.m. Refer to the [Plan Check Submittal Checklist, Commercial Projects](#) or [Plan Check Submittal Checklist, Residential Projects](#) handout to understand the information, exhibits and materials required for your project. Review the electronic format requirements listed below.

When uploading your application and submittal documents, please include the name and telephone number of the person responsible for payment in the message dialog box so we may contact you/them for payment. All payments must be by credit card via phone. Staff will confirm via email when your application and submittal information has been accepted. After receipt and payment, your project will be routed to a plan checker. Please allow 2-3 business days for processing.

ELECTRONIC FORMAT REQUIREMENTS

- **PDF** - All electronic documents must be PDF (portable document format).
- **Unsecured Settings** - Choose “unsecured” on your security settings to enable staff to mark up the documents or create comments/notes.
- **File Naming Conventions** - All PDFs should use the same file naming conventions. All drawing files must be named as follow:

PROJECT ADDRESS SUBMISSION CYCLE FILE DESCRIPTION

Do not include “-“ (dashes) or special characters in the file name. For example: 123 Main St SUB1 Application; 123 Main St SUB1 Civil Plans; 123 Main St SUB1 Struct Calcs

- **Separate PDFs** - Submittals items, plans and supporting documents shall be saved as a separate PDF (i.e., plans, T-24, structural calculations, soils report, etc.).
- **Scale** - PDF exhibits must be generated at a prescribed scale (i.e. 1/4" = 1'-0", or 1/8" = 1'-0") in order for staff to verify dimensions and areas within the file, using the built-in Acrobat measuring tool. Graphic scales may also be included but are not required.
- **Orientation** - All drawings/plans must uniformly use landscape orientation. Maintain a uniform page position and page size for all plans (architectural, landscape, civil, etc.).
- **Stamp Location** - Provide a 3-inch high x 6-inch wide clear space on the cover sheet or first page of each pdf in the lower right quadrant for jurisdiction stamps.
- **Conditions of Approval** - If your project received conditions of approval from the Planning Division, include a copy of all the conditions of approval with your submittal. You must also provide a letter or annotate response to each condition of approval.

RESUBMITTAL REQUIREMENTS

After your initial submittal, you will receive a comment letter outlining the corrections needed or your project may be approved. If you receive comments, you will need to address each plan check comment and resubmit adhering to the original submittal requirements. Additional instructions for resubmittals:

- Include a response letter with a detailed explanation how you addressed each plan check comment, from all Departments/Divisions.
- Cloud all changes and note delta number on the title block.
- Use the same format, plan size and scale as the original submittal.
- Resubmit a complete set of plans.

REVISION REQUIREMENTS

Revision submittals must contain the following:

- File includes the original plans with the City approved stamp.
- Building Permit Number of original approved plans.
- A clear and concise description of work summarizing revisions to the original plans.
- A separate file containing a full, complete drawing and document package containing the newly revised sheets, changes clearly highlighted, clouded and delineated with date of revision. (i.e: Cloud all changes and note delta number on the title block.)

For questions related to the electronic submittal process, code questions, or general building questions, please email buildingdivision@cityofpleasantonca.gov.

We look forward to your submittal!
