Updated Information: Search for Missing Man Scales Back

After intensive searching, the Pleasanton Police Department and its allied agencies decided to scale back the search for missing runner, Philip Kreycik (37). In the past four days, more than a dozen agencies and approximately a hundred volunteers searched for Kreycik who was last seen on Saturday, July 10th around 10:45 AM near Pleasanton Ridge Regional Park.

In an organized and systematic approach, search and rescue teams were deployed on the ground and in the air, using a range of resources such as K-9s, e-bikes, drones, and thermal technology. Even with the rough terrain and hazards such as poison oak and rattlesnakes, teams worked around the clock within a 50 square mile area. Prior to adopting a limited objective search, today's coverage expanded 100 meters outside of Kreycik's intended route and less accessible areas. Through exhaustive search efforts, no significant clues were collected and it is believed that Kreycik is either incapacitated or not in the general area. This remains a missing person investigation.

"This was not an easy decision to make, and our focus is to continue supporting the Kreycik family," said Lieutenant Erik Silacci, "We thank all of the search and rescue crews as well as the hundreds of volunteers who rallied together and remain committed to locating Philip."

The Pleasanton Police Department credits its partners for their comprehensive search and rescue efforts, including Alameda County Sheriff's Office, East Bay Regional Park District, Marin County, Contra Costa County Sheriff, Cal-ESAR, Napa County Sheriff's Office, San Mateo County Sheriff's Office, Santa Clara County Sheriff, Placer County Sheriff, Solano County Sheriff's Office, Sonoma County Sheriff's Office, Bay Area Mountain Rescue, Livermore-Pleasanton Fire Department, and Community Emergency Response Team.

Anybody with information about this case is asked to contact the Pleasanton Police Department at (925) 931-5100.
