Pleasanton Police Arrest Three Teenagers in Attempted Armed Robbery

Today, at approximately 1:00 PM, Pleasanton Police Department received reports of a possible armed robbery in parking lot “D” at Stoneridge Shopping Center. A female exited her vehicle when three suspects approached her demanding her purse and car. One of the suspects grabbed the victim by the arms while another pointed a semi-automatic pistol towards her face. The victim pulled away from the suspects and yelled for help. The suspects fled on foot into the Stoneridge Shopping Center and, fortunately, the victim was uninjured when officers arrived on scene.

In partnership with BART Police Department and mall security for Stoneridge Shopping Center, Pleasanton police officers and detectives successfully located all three suspects and recovered a firearm. The suspects are juveniles whose names are not being released. They were taken to Juvenile Hall where they were booked on numerous felonies.

This is an active investigation and anyone with information about this case is asked to contact Pleasanton Police Department at (925) 931-5100.
