

2015-2023 CITY OF PLEASANTON HOUSING ELEMENT UPDATE

COMMUNITY WORKSHOP #2

Please join us at a community workshop to review the draft Housing Element and share your vision and ideas for how we can improve housing opportunities in the City of Pleasanton.

The City is in the process of updating the Housing Element of the General Plan.

The Housing Element is a policy guide that describes housing-related needs and resources in the community, particularly the availability, affordability, and adequacy of housing.

We invite you to learn more about the update process and participate in a conversation that will help shape the City's updated housing plan.
