**See page 2 for program guidelines to qualify for Pleasanton's Water Efficient Landscape Rebate**

**Application Checklist:**

- Already filed an application and all required materials to Zone 7 to participate in the Zone 7 Water Efficient Landscape Rebate Program
- Converting a minimum of 250 square feet of sidewalk visible lawn.
- Converting overhead irrigation to low volume drip irrigation or no irrigation.

**To qualify for a rebate:**

- This offer applies only to City of Pleasanton water customers who have an active water account(s) in good standing within the City of Pleasanton, and are participating in Zone 7’s Water-Efficient Landscape Program (same as Lawn Conversion Rebate).
- Convert a minimum of 250 square feet of front lawn visible from the sidewalk.
- The area to be converted is currently irrigated and the irrigation system is in good working condition.
- An irrigation system is not required in the converted area, however any existing overhead irrigation in the converted area must be removed or capped in place, and converted to a low volume drip. Any new irrigation in the new converted area must be low volume drip, equipped with proper backflow prevention, a rainfall shutoff valve, filter, and pressure-compensating emitters.
- Plants purchased are on the Zone 7 Qualified Plant List or have received approval.
- The converted area must plan to include a sufficient number of qualifying plants to ensure at least 50% plant coverage when fully grown.
- Elimination of lawn and mulch layer must be complete before issue of 40% of the rebate within 120 days of Notice to Proceed from Zone 7 or City of Pleasanton.
- Upon notification from the City of Pleasanton that the planting stage may precede, the applicant has 120 days to complete installation according to approved plans to receive the remaining 60% of rebate balance.
- Conversion must remain installed for a minimum of two-years.

**Applications and receipts must be postmarked, emailed, or faxed within 60 days of purchase (plant, mulch, and irrigation material). You have two options for submitting your rebate application:**

1. Complete the City of Pleasanton Water-Efficient Landscape Rebate application available at [www.pleasantonwaterconservation.com](http://www.pleasantonwaterconservation.com). Scan your original sales receipt(s) (plants, soil augmentation material, irrigation equipment, or mulch) and save as PDF files. Email a copy of application and the scanned sales receipt(s) to: [rdicandia@cityofpleasantonca.gov](mailto:rdicandia@cityofpleasantonca.gov), Subject: WEL Rebate Application.
2. Fax the materials noted above to 925-931-5595, Attention: Water Conservation
3. Mail the application and noted required materials to:  
Water Conservation Division, P.O. Box 520, Pleasanton, CA 94566.

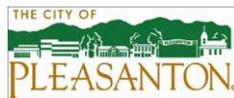

Your rebate will either be issued as a credit on your irrigation account water bill or as a rebate check. Please allow up to 8 weeks to process each rebate.

**By submitting this application, you agree to the following:**

I, the undersigned, understand that this is a limited, first-come/first-served, one-time program, that rebates are given only for projects for which applications are approved in advance of installation, and that City of Pleasanton is entitled to deny any application that does not meet program requirements. I have voluntarily determined to participate in the City of Pleasanton’s Water Efficient Landscape Program. I have independently selected materials, supplies and labor for the purpose of performing the installation. I agree that all work performed will comply with applicable state and local laws, ordinances and regulations. I agree that the City of Pleasanton may visit the premises and verify existing conditions and that the work has been performed. By virtue of these inspections, I understand that the City of Pleasanton makes no determination with respect to whether materials and equipment are free of defects, the quality of the workmanship, or the suitability of the premises or the materials or equipment for the installation. I also understand that the installation of irrigation equipment and landscape materials may not result in lower water bills. If this Application is approved by the City of Pleasanton and the work proceeds, I agree to defend, indemnify and hold harmless the City of Pleasanton, its directors, officers, agents and employees against any and all loss, liability, expense, claims, suits and damages, including attorneys’ fees, arising out of or resulting from the installation of irrigation equipment and landscape materials. I agree to a pre- and/or post-installation inspection, upon request.
