

Renovation is nearly complete!

The Dolores Bengtson Aquatic Center will be **closed** to all programs (water exercise, lap swim and Tri-Valley Masters) from **Monday, 8/26 through Friday, 8/30**.

We apologize for the inconvenience, and look forward to re-opening the west side of the facility soon!

Please check our webpage for renovation information, Grand Re-Opening details, learn-to-swim programs, water exercise classes, lap swim hours, and recreational swim dates as they become available.
