**RE: CITY OF PLEASANTON HOUSING ELEMENT UPDATE**

Dear Ms. Bates:

We are pleased to submit a draft of the City of Pleasanton Housing Element for review. This Housing Element describes the City's plan for addressing the housing needs of its residents for the 2015–2023 planning period. The City is committed to working with the Department of Housing and Community Development (HCD) to achieve certification to maintain eligibility for grant funding programs, ensure the legal adequacy of the General Plan, and preserve local control of land use decisions.

The City has reviewed HCD's Housing Element Update Guidance. Based on actions already taken the City is eligible for streamlined review. As required, we have enclosed attachments 1, 2, and 3 to assist with streamlined review. Additionally, we have highlighted section headers, tables, and some text to show where changes have been made. Wherever possible, the tables and analysis utilize data compiled by the Association of Bay Area Governments, which was preapproved by HCD.

As demonstrated in Appendix B: Housing Sites Inventory, Pleasanton has adequate capacity to accommodate the housing needs of residents at all income levels, as projected in the Regional Housing Needs Allocation. The City's land use policies and standards facilitate the development of housing in a wide range of types and densities.

We look forward to hearing from your office. Please do not hesitate to contact me with any questions regarding the draft at (916) 231-2268 or [jgastelum@pmcworld.com](mailto:jgastelum@pmcworld.com).

Sincerely,

A handwritten signature in blue ink, appearing to read "Jennifer Gastelum", with a long horizontal flourish extending to the right.
