9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <ul style="list-style-type: none"> ▪ The waiting list type is Public Housing and is solely for persons seeking residency at Kottinger Place (the only property owned by the PHA). ▪ There are a total of 41 families on the waiting list as of January 2014. ▪ The annual turnover rate is approximately 6 families per year. ▪ The waiting list does not include information on the income levels of prospective applicants. ▪ There are no (0) families with children on the waiting list. ▪ There are 41 (100%) elderly families on the waiting list. ▪ There are no (0) non-elderly disabled families on the waiting list. ▪ The waiting list does not include information on the race/ethnicity of prospective applicants. ▪ There are 3 families on the waiting list for studio units, 16 for one-bedroom units, and 22 for either unit type. ▪ The waiting list is currently closed as of April 2014. It was last opened in April 2007 (seven years ago). The PHA does not expect to reopen the list in the coming PHA Plan year (2014). ▪ The waiting list includes preferences for elderly persons aged 62 and older, Pleasanton residents and relatives of Pleasanton residents, applicants who meet disabled criteria, and certified veterans of the U.S. Armed Forces. ▪ The Property Administrator at Kottinger Place receives approximately 20 calls daily from households looking for housing. ▪ The waitlist for Pleasanton Gardens, a privately-owned affordable senior housing property located across the street from Kottinger Place, was opened in October 2011, and during a one-month period, the property received over 60 interested applicants for 40 units. ▪ The population of seniors living in Alameda County doubled between 2000 and 2010, and is projected to continue growing.
9.1	Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.
10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.</p> <p><u>The Housing Authority's goal as described in the 5-Year Plan is to ensure Kottinger Place remains high quality housing best serving residents' physical and social needs. Although progress in the form of energy-efficient upgrades was made toward this goal during the previous 5-Year Plan period, the units remain inaccessible and do not meet modern building standards, prohibiting the residents from continuing to live independently and age-in-place. Achieving this goal will require the provision of safe, accessible units meeting modern building standards dictated by local and State building codes.</u></p> <p>Pursuant to investigations described above in Section 7.0, the Housing Authority has determined that it is in the best interests of the residents and</p>

Housing Authority to apply for Demolition and Disposition approval from HUD. The new construction of modern units will allow the Housing Authority to address the ongoing physical challenges for residents to live safely and age-in-place.

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

a. Substantial Deviation from the 5-Year Plan

A "substantial deviation" from the PHA's 5-Year Plan is defined as:

- A change to the PHA's overall mission, or
- A complete change or abandonment of the PHA's identified goals that significantly affect services to residents.

A "substantial deviation" does not relate to meeting identified objectives or delays in implementation of an objective due to the PHA's business needs, emergencies, or circumstances beyond the PHA's control.

b. Significant Amendment or Modification to the Annual Plan

A "significant amendment or modification" to the PHA's 5-Year Plan and Annual Plan is defined as:

- A significant change to the PHA's strategies for meeting the housing needs of families in its jurisdictions, or
- A significant change in the planned use of financial resources.

A "significant amendment or modification" does not relate to identified goals/objectives that are later refined through coordination with the local jurisdictions, city/county planning departments, or local jurisdictions' Consolidated Plan proposals/programs.

As described above in Section 7.0, the Housing Authority has determined the best strategy to meet the needs of the current residents and others in its jurisdiction is to apply for Demolition and Disposition approval from HUD. It is more cost effective to build new, safe, accessible units than to rehabilitate the existing obsolete units.

Items (a) through (g) may be submitted with signature by mail or electronically with scanned signatures, but electronic submission is encouraged. Resident Advisory Board (RAB) Comments

Although there is no formal RAB at Kottinger Place, resident meetings were convened throughout the year (including a special meeting on October 31, 2013, regarding the proposed demolition and disposition) to discuss issues raised by the proposed Annual Plan:

- Residents discussed the need for units with accessibility features, especially in the bathrooms and kitchens.
- Couples and single residents requiring caregivers expressed desire for larger units than their current studio to accommodate their household size and needs.
- Residents support replacing Kottinger Place with new, accessible units as long as the new units and development retain the existing character of the site. This includes open space for gardening, private patios, and the option to continue living in a single-story unit.
- More affordable housing with rents equivalent to the levels at Kottinger Place is needed in Pleasanton.
