

Senior Planner – Advanced Planning Supplemental Questionnaire

Applicants must answer the following supplemental questions and attach it to your online City Application.

1. Explain your direct experience updating the Housing Element or another element of the General Plan, or preparing a specific plan. What about this process was successful? What were the lessons learned?
2. Describe your experience analyzing and evaluating development proposals and preparing CEQA review documents.
3. Identify a major planning issue that you think the City will need to address within the next 5 years.
4. Describe your supervisory style. What techniques do you use to encourage teamwork in your staff and encourage them to be peak performers?
5. What are your aspirations regarding advancement in the planning field?
