Weekly Camp Descriptions:

2's & 3's and 3's Classes

Play with Paint! - Children will experience painting, using a variety of mediums such as finger paint, water color, and tempera paint ice cubes!

Play with Water! - Children will enjoy a variety of water play activities inside the classroom and outside too! Play activities will present water in liquid and frozen form and children will explore how things sink and float.

Play with Nursery Rhymes! - Join us as we explore fun Rhymes of Jack and Jill, Itsy Bitsy Spider, Pat a Cake and More! The children will love to recite and sing these classic Rhymes.

Play with Boxes! - The classroom will be loaded with building materials such as boxes, tape, stickers, glue and more to inspire great creations from the children's imaginations!

Play with Instruments! - Children will discover a variety of instruments including African drums, rhythm sticks, bells and more. They will listen to an assortment of music, dancing and singing the week away!

Play with Paper! - We will explore the different textures of paper including tissue, crepe, cardboard and wax paper. We will tear, scribble, glue and color as well as have a classroom (paper) snowball toss!

3-5's, 4's and 5-6's Classes

Gingerbread Café - Children will create their own restaurant designing menus, making chefs hats, and decorating their restaurant while planning cooking projects.

Enchanted Forest - Children will make trees out of cardboard and paint to create an enchanted forest. They will create special animals giants and fairies that have never been seen before.

Construction Zone- Children will put on their hard hats and go to work designing, creating and building using a variety of materials such as cardboard, duct tape, newspaper, bubble wrap and more!

Community Helpers - Children will enter the world of make believe each day as the classroom will be transformed into a new play setting of community helpers, such as a Doctor's Office, Police Department, Fire House, Dentist and more!

Hands on Painting - Children will experience painting, using a variety of mediums in unconventional ways; such as finger painting with pudding, tempera paint ice cubes, and painting under a table! We will create a classroom banner as well as many individual masterpieces.

Water Fun - The children will experience sink and float, ice painting, water relays in the play-yard, as well as a carwash. On Friday, the children wear their bathing suits to school while they play in play pools and build sandcastles in the sand.
