

ADDENDUM NO. 1

Root Foaming Services

Project No. PWD 25.603

The additions, modifications, and/or deletions contained in this ADDENDUM shall be made a part of the proposal solicitation documents for the above-referenced project, and shall be subject to all applicable requirements thereunder, as if originally shown and/or specified. It shall be the responsibility of the contractor to inform any affected sub-bidder of the content of this Addendum.

The Contract documents are modified/revised as follows:

ADDENDUM:

- 1) It was brought to our attention by one of the potential contractors in "Exhibit A" under the Scope of Services in bullet point #8 in reference to "Product of Service Guarantee." In RFP 25.603 the guarantee of services has been adjusted.
 - a) A **Modification** to the RFP will be changed to the following replacement language:
 - The contractor shall furnish Product of Service Guarantee documentation explicitly stating each line segment in which root control chemicals are applied in the form of letter on Contractor's letterhead, stating the locations to which the guarantee applies, the guarantee period, and guarantee dates. Guarantee Criteria shall be:
 - Kill all the protruding roots inside the sewer pipes that receive treatment
 - Kill all the protruding roots at the lateral connections to the sewer mains
 - If live roots are found in a treated sewer section within six months after the application, Contractor will need to re-treat that section at their own expense
 - If a treated sewer section plugs up and floods due to tree roots within two years of service, Contractor will have to re-treat that section at their own expense and remit/refund to the City 100% of the payment that was received for the identified section

All other items of work in the contract document remain unchanged. Acknowledgement and a signed copy of this Addendum shall be included in the Bid Proposal.
