Blowing Map**

Frequency of Service:
Areas marked in RED are to be blown off Monday's and Friday's with additional service on the Thursday mornings following the five (5) First Wednesday Street Party events occurring May-September.

Cleaning Standard:
Store front to curb is to be blown out to street and turn pockets are blown out so street sweeper may collect debris. No debris is to be left on the sidewalk. One worker on each side of the street to complete task.

Service Time:
Begin service at 157 Main Street and work toward the Pleasanton Hotel. Blowers MUST be run at idle within 100 feet of the Rose Hotel located at 807 Main Street. Service time is from 6:00am - 6:45am and must be completed in coordination with the contract street sweeper.
