

ADDENDUM NO. 1

STREET & PARKING LOT SWEEPING SERVICES

Project No. PWD 24-406

This Addendum is hereby made a part of the project contract documents. It shall be the responsibility of the contractor to inform any affected sub-bidder of the content of this Addendum.

The Contract documents are modified/clarified as follows:

General:

1) **Under Scope of Services/Work – Exhibit A Section 7 “Parking Lot Sweeping”:**

What are the allowable times to perform sweeping services in Parking Lots? In the RFB it was stated “The City shall provide the schedule for parking lot sweeping. Parking lots in/near residential areas shall not be swept prior to 7:00 a.m. and not after 10:00 p.m.” Parking lot sweeping shall have the same parameters as commercial sweeping which is identified under scope of work section 2.

- a) Item #1: The allowable time to sweep City owned Parking Lots shall be between 7:00 pm and 8:00 am, similar to Commercial Areas.

2) **Protected Bike Lanes:**

Contractor(s) at the bidder’s conference had requested to know the width of the protected bike lanes to assist in determining what size Street Sweeper would fit in the bike lanes and the bollards.

- a) Item #2: See updated attachment IV

All other items of work in the contract document remain unchanged. Acknowledgement and a signed copy of this Addendum shall be included in the Bid Proposal.
