TERMS AND CONDITIONS FOR
OVERSIZE LOAD PERMITS

1. Acceptance of Permit: By accepting this permit, the Permittee understands that the conveyance of oversize loads or work performed on streets within the City of Pleasanton, shall be regarded as a formal acceptance of all terms and conditions stated on said permit. Written application must be submitted before permit may be granted. It is the responsibility of the applicant to accurately complete and sign the application.
2. Notification of Police Department: All oversize load applicants must notify the Pleasanton Police Department's on-duty watch commander or field supervisor 24 hours in advance of any oversize haul through Pleasanton at (925) 931-5100. If the police department is not notified 24 hours in advance of an oversize haul and the vehicle is stopped by the police, a citation will be issued if the vehicle operator does not have the permit with the vehicle.
3. Permit Subject to Inspection: A copy of the permit must accompany the oversize load within the City of Pleasanton right-of-way limits. It must be presented upon request for inspection by an authorized representative of the Public Works Department or Pleasanton Police Department.
4. Revocable: This permit is revocable at any time upon written notification to the mailing address of the Permittee by certified mail.
5. Trip Limits: This permit may be used by any vehicle operated by the permittee to move oversize loads. This permit is limited to the specified truck route and load type outlined on the permit. Any other route will require a separate permit. Failure to comply with this requirement may result in revocation of the permit.
6. Damage Repair: In accepting this permit, the Permittee agrees to repair, at its own expense and to the satisfaction of the City Engineer, any damage to public improvements within the public right-of-way. At the option of the City Engineer, repair work may be completed by the City of Pleasanton. In this case, the cost of repairs shall be paid by the Permittee within 30 calendar days.
7. Liability: The Permittee, by acceptance of this permit, shall indemnify, defend and hold harmless, the City (including its elected officials, officers, agents and employees) from and against any and all claims (including all litigation, demands, damages, liabilities, costs, and expenses, and including court costs and attorney's fees) arising from actions, or failure to act, under of this permit.
8. Certificate of Insurance: This permit shall not be effective for any purpose until the Permittee files with the City of Pleasanton Department of Public Works, evidence of automobile liability insurance with bodily injury coverage and property damage coverage (or equivalent general liability insurance) and workers compensation insurance with reasonable coverage limits which are satisfactory to the City Attorney. Such insurance shall be maintained for the duration of the permit.

9. Permittee shall comply with any and all applicable conditions required by CALTRANS, the California State Vehicle Code, and the following:
- A. Permittee shall check all underpasses, bridges, overhead wires, traffic signals, or other structures for impaired vehicle clearance and to bypass or arrange clearance at such locations.
 - B. Permittee shall have appropriate warning signs on truck and pilot cars. Signs shall be posted on front and rear and shall read "LONG LOAD" or "OVERSIZE".
 - C. Permittee shall provide independent pilot vehicle at the front and rear of load equipped with flashing yellow lights and appropriate warning signs (load width 12' or greater, load overhand 25' or greater, or total length longer than 120'). A pilot car may be required for smaller loads as determined by the engineer.
 - D. Permittee shall provide written route survey for loads with a height greater than 16'. Route survey may be required for shorter loads as determined by the engineer.
 - E. Permittee shall arrange to have CHP or Pleasanton Police escort, at its own expense, for loads with heights greater than 16'. Depending on route and/or clearances CHP or Pleasanton Police escort may be required for smaller loads.
 - F. Permittee shall provide an appropriate number of flagmen and adequate traffic control measures for any interruption to normal traffic flow. Permittee shall not block traffic without an approved traffic control plan.
 - G. This permit is issued for load transport only, and no storage or equipment assembly on public streets will be permitted.
 - H. Permittee will not be permitted to operate during the hours of 7:30 a.m. to 9:00 a.m., or 4:00 p.m. to 6:00 p.m., Monday through Friday. Additional time restrictions may apply depending on route/load.
 - I. Permittee shall secure all necessary permits needed for use of overcrossings from CALTRANS.
 - J. Permittee shall comply with all conditions of Chapter 13.04 Encroachment, including but not limited to, Section 13.04.230 Liability, 13.04.240 Public Safety and Section 13.04.250 Maintaining Traffic, which are not in conflict with the above specific conditions.
