**Consolidated Annual**  
**Performance and Evaluation**  
**Report (CAPER)**

**FY 2021/22**  
**Alameda County**  
**HOME Consortium**  
**September 2022**

## **CR-05 - Goals and Outcomes**

### **Progress the jurisdiction has made in carrying out its strategic plan and its action plan.**

#### **91.520(a)**

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

CDBG funding represents a very small percentage of the resources mobilized by the City to realize the achievements outlined in the FY 2021/22 CAPER, which represents the 2<sup>nd</sup> year completed for the City's 5-Year FY 2020-2024 Consolidated Plan (Con Plan) covering July 1, 2020 through June 30, 2025. The City's achievements over the past year include the following general highlights:

- Provided assistance to more than 3,300 residents with a wide scope and variety of activities through the Housing and Human Services Grant (HHSO) program, including the following activities specifically funded with CDBG funds:
  - Open Heart Kitchen served meals to 513 Pleasanton seniors.
  - Spectrum Community Services program served 165 Pleasanton seniors and disabled residents.
- Continued to process the sale or resale of several below-market priced homes to first-time buyers through the Pleasanton Homeownership Assistance Program and continued to offer a Down Payment Assistance Loan program.
- Continued to provide housing rehabilitation program grants or loans to Pleasanton homeowners in need of health and safety and/or accessibility improvements to their homes.
- Continued to provide a range of housing counseling and home buyer education services to current and prospective residents through the non-profit ECHO Housing.

**Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)**

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee’s program year goals.

Goal	Category	Source / Amount	Indicator	Unit of Measure	Expected – Strategic Plan	Actual – Strategic Plan	Percent Complete	Expected – Program Year	Actual – Program Year	Percent Complete
Community Development Needs - Capital Improvements	Non-Housing Community Development	CDBG: \$	Other	Other	5	0	0.00%	1	0	0.00%
Community Development Needs - Economic Development	Non-Housing Community Development	CDBG: \$	Other	Other	5	0	0.00%	1	0	0.00%
Community Development Needs - Public Services	Non-Housing Community Development	CDBG: \$	Public Facility or Infrastructure Activities other than Low/Moderate Income Housing Benefit	Persons Assisted	0	0		100	0	0.00%
Community Development Needs - Public Services	Non-Housing Community Development	CDBG: \$	Public service activities other than Low/Moderate Income Housing Benefit	Persons Assisted	500	330	66.00%	0	330	
Homeless Needs	Affordable Housing Homeless	CDBG: \$	Homelessness Prevention	Persons Assisted	10	0	0.00%	2	0	0.00%
Housing Needs - Affordable Rental Housing	Affordable Housing	CDBG: \$	Rental units constructed	Household Housing Unit	50	0	0.00%	5	0	0.00%

Supportive Housing Needs	Affordable Housing	CDBG: \$	Other	Other	10	0	0.00%	2	0	0.00%

**Table 1 - Accomplishments – Program Year & Strategic Plan to Date**

**Assess how the jurisdiction’s use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.**

While the City is not able to address every one of the priorities and objectives in its 5-year Consolidated Plan in FY 2021/22 due to limitations in funding combined with changes in local conditions and needs from year to year, the following CDBG-funded projects did meet several of the priorities included in its Con Plan:

City "Section 108" Loan Repayment for the Axis Community Health Clinic expansion project (\$25,211 in FY 2021/22), per HUD’s 20-year repayment schedule:

- Priority 4:
  - Goal 1: Make improvements, including ADA accessibility, to public facilities, such as curbs and sidewalks, neighborhood parks and recreational improvements, homeless facilities and other public facilities/community centers.
  - Goal 3: Support public service programs for low income residents, preserving safety net services for families and individuals who are vulnerable or “in-crisis”.

City’s Housing Rehabilitation Program:

- Priority 2: Preserve existing affordable rental and ownership housing households at or below 80% of Area Median Income (AMI).

Other CDBG-funded projects addressed key community needs related to the provision of public services (Priority 4: Goal 3).

- Open Heart Kitchen Senior Meals Program: \$27,605
- Spectrum Community Services Meals on Wheels program: \$27,600

Con Plan priorities that were not addressed using CDBG funds (due to the low amount of CDBG funding received by the City) were addressed using local funds.

## CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted). 91.520(a)

	CDBG
White	4,614
Black or African American	287
Asian	2,213
American Indian or American Native	77
Native Hawaiian or Other Pacific Islander	72
<b>Total</b>	<b>7,263</b>
Hispanic	2,692
Not Hispanic	4,571

**Table 2 – Table of assistance to racial and ethnic populations by source of funds**

### Narrative

The City's accomplishments in terms of households and persons assisted are summarized in the attached Table P-2b. The demographics in the table include all of the projects that were funded in FY2021/22 through the City's Housing and Human Services Grant (HHSG) program, which is funded with CDBG as well as several local funding sources.

Only those served by the following CDBG-funded activities are reported in the demographic figures in Table 2 above:

- Open Heart Kitchen Senior Meals program
- Spectrum Community Services Meals on Wheels program

While none of the City's housing and community development programs during the program period were targeted to specific ethnic groups, the trends for assistance by ethnicity were generally reflective of the City's ethnic makeup. In addition, most of the households and persons assisted during FY2021/22 were considered to meet National Affordable Housing Act Section 215 goals.

## CR-15 - Resources and Investments 91.520(a)

### Identify the resources made available

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG	public - federal	\$638,034	

**Table 3 - Resources Made Available**

### Narrative

The City's Housing and Human Services Grant (HHS) program is funded using federal CDBG and HOME funds as well as the City's General Fund and Lower Income Housing Funds (LIHF). CDBG funds represent a relatively small component of City resources used to realize the achievements outlined in the FY 2021/22

The City has also drawn down \$636,092 (or 98%) of its \$651,844 CDBG-CV funds to prevent, prepare for, and/or respond to the coronavirus.

### Identify the geographic distribution and location of investments

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
Citywide	100	100	[Not Applicable]

**Table 4 – Identify the geographic distribution and location of investments**

### Narrative

The majority of the City's CDBG-funded activities in FY 2021 were not tied to one specific geographic area (i.e., the services were targeted to any residents regardless of residence location). Funds that were tied to a specific geographic location are summarized below:

- Axis Community Health's clinic is located at 5925 West Las Positas Blvd. in north Pleasanton. Axis currently provides services through its existing main clinic located at 4361 Railroad Avenue in downtown Pleasanton.
- Axis Community Health's new dental clinic is located at 7212 Regional Street, Dublin, CA 94568.
- Open Heart Kitchen traditionally provides its lunchtime senior congregate meal program through the Pleasanton Senior Center located at 5353 Sunol Blvd. in south Pleasanton and its evening senior congregate meal program at Ridge View Commons senior apartments located at 5200 Case Ave. in south Pleasanton. To adhere to COVID-19 safety protocols, however, this program transitioned to a "to-go style" meals available for curbside pickup. The option to resume to a congregate meal setting was available in FY 2021.
- The Sojourner House homeless shelter (funded with a collaborative Section 108 loan) is located at a confidential location in Livermore.

## Leveraging

**Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.**

The majority of resources cited in the preceding narrative above consisted of non-federal funds. More specifically, the City's Housing and Human Services Grant (HHSG) program, which incorporates the City's annual CDBG allocation, represented the following match of federal to local funds in FY 2021/22.

- Federal (CDBG): \$368,034 (28%)
- Federal (HOME): \$125,935 (9%)
- Local (General Funds / Lower Income Housing Funds): \$861,151 (63%)
- Total: \$1,330,120 (100%)

The City was also awarded \$651,844 in CDBG Cares Act funds to prevent, prepare for, and/or respond to the coronavirus.

**CR-20 - Affordable Housing 91.520(b)**

**Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.**

	<b>One-Year Goal</b>	<b>Actual</b>
Number of Homeless households to be provided affordable housing units	0	0
Number of Non-Homeless households to be provided affordable housing units	0	0
Number of Special-Needs households to be provided affordable housing units	0	0
<b>Total</b>	<b>0</b>	<b>0</b>

**Table 5 – Number of Households**

	<b>One-Year Goal</b>	<b>Actual</b>
Number of households supported through Rental Assistance	0	0
Number of households supported through The Production of New Units	0	0
Number of households supported through Rehab of Existing Units	0	0
Number of households supported through Acquisition of Existing Units	0	0
<b>Total</b>	<b>0</b>	<b>0</b>

**Table 6 – Number of Households Supported**

**Discuss the difference between goals and outcomes and problems encountered in meeting these goals.**

The City does not typically build or own housing directly which impacts the ability to attain the annual goals listed above.

While the new projects discussed below ensure that the annual goals are met and exceeded over the longer term, none of the projects are funded with federal CDBG funds.

The Rapid Re-Housing Program placed four (4) new income-eligible households in permanent housing in FY 2021/22. The program also served eight (8) households that included four (4) households receiving rental subsidy since last fiscal year, one (1) household in housing search, and three (3) households who successfully exited the program.

The Housing Rehabilitation Program completed four (4) projects in FY 2021/22 which included three (3) grants to eligible homeowners and one (1) homeowner who received a housing rehabilitation loan. The COVID-19 pandemic still continued to affect this program as homeowners were hesitate to pursue the program, contractors were busy, and costs for labor and materials kept on increasing.

**Discuss how these outcomes will impact future annual action plans.**

The City will continue to monitor its progress toward meeting annual goals for the production of affordable housing units for homeless, non-homeless, and special needs populations as current and future projects move forward toward construction and completion. The goals within annual Action Plans may be adjusted as needed.

**Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.**

<b>Number of Households Served</b>	<b>CDBG Actual</b>	<b>HOME Actual</b>
Extremely Low-income	0	0
Low-income	0	0
Moderate-income	0	0
<b>Total</b>	<b>0</b>	<b>0</b>

**Table 7 – Number of Households Served**

**Narrative Information**

The overall number of beneficiaries from the City's Housing and Human Services Grant (HHS) program for FY 2021/22, including both CDBG and locally-funded activities, is summarized in Table P-2b. The Rapid Re-Housing and the Housing Rehabilitation programs were not funded with federal CDBG funds. Consequently, the number of persons served by these projects are not reflected on Table 13 - Number of Persons Served above.

Statistics for persons served through HOME-funded activities will be reported separately by Alameda County.

**CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)**  
**Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:**

The following section will be updated by Alameda County for FY 2021/22.

**Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

HOME Consortium jurisdictions continued their outreach to unsheltered persons in FY 20/21 while dealing with the COVID pandemic. With funding from the State's Project Roomkey program has made more than 1,000 hotel rooms available for homeless and at-risk households in response to COVID-19. The Emergency Solutions Grant (ESG) program provides funding to engage and support individuals and families experiencing homelessness. Alameda County initiated a coordinated, countywide COVID-19 emergency response, working with all jurisdictions in the county, to prioritize those unhoused individuals as most at risk for COVID-19 into Project Roomkey hotel sites (temporary, non-congregate shelter) and to prioritize their exits to permanent supportive housing. Emergency Solutions Grant CARES Act funds were used to support rapid-rehousing rental assistance to those individuals who are currently residing in Project Roomkey sites within Operation Comfort and Operation Safer Ground, and identified through Coordinated Entry, as they transition to permanent housing. (Operation Comfort short-term emergency isolation and quarantine housing is for people experiencing homelessness who test positive for COVID-19, active symptoms of COVID-19, or who have had verified contact with a person with a known COVID-19 infection. Operation Safer Ground is safe housing available for homeless individuals who are over the age of 65, or otherwise at high-risk with a variety of health conditions (medically fragile), or both.) This rapid re-housing effort is part of a countywide, emergency response for COVID-19, and collaborative jurisdictional efforts.

The City of Pleasanton partners with several agencies that provide outreach to homeless individuals and families, including Tri-Valley Haven and Open Heart Kitchen, both of which offer food programs and related services. Pleasanton also funded homeless outreach services through CityServe of the Tri-Valley in FY 2021/22 through City fund to navigate Pleasanton residents experiencing homelessness through their journey. . Additionally, City has two homeless outreach police officers and a Sergeant dedicated to only homeless outreach for Pleasanton residents.

**Addressing the emergency shelter and transitional housing needs of homeless persons**

Year-round emergency shelter capacity within the HOME Consortium during FY20 consisted of 79 beds for families with minor children and 235 beds for single adults. The overall transitional housing capacity in the HOME Consortium jurisdictions is lower than last fiscal year. It consists of 28 beds for families and 94 for unaccompanied adults. Of the 94 beds for adults, 71 of those are grant per diem beds restricted to Veterans. During the rainy season, warming station shelters operated in Alameda (30), Fremont (36 beds), Hayward (25 Beds), Livermore (25 beds), Castro Valley (50) and San Leandro (35 beds). Castro Valley Shelter added new capacity this year.

The 45-bed Housing Navigation Center in Hayward provides shelter and individualized housing services for individuals experiencing homelessness. Administered by Bay Area Community Services (BACS), staff conduct outreach in local encampments and partner with law enforcement to identify individuals in

need of services. Since its opening in November, 47 individuals have successfully exited the Navigation Center to permanent housing.

The majority of the Continuum of Care's homeless population continues to be unsheltered (79% as of the January 29, 2019 Point-In-Time Count). The strategy for meeting this need is twofold: 1) Move unsheltered people directly from the streets to permanent housing without a shelter stay. Abode's outreach program has had success in housing 3 times as many people from the streets as the prior year. 2) Try and resolve persons' homelessness more quickly, especially in transitional housing, so that each bed is used to support multiple people throughout the year. Unfortunately, lengths of stay have increased in both shelter and transitional housing. Time spent homeless has decreased from 208 days last year to 192 days this year.

As previously described, the City of Pleasanton Police Department homeless outreach officers collaborate with Cityserve outreach staff to provide assistance to Pleasanton homeless residents.

**Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs**

The Continuum is working with a number of publicly funded institutions of care to ensure that persons are not discharged into homelessness. The Realignment Housing Program has housing specialists work with persons in the County jail on their housing needs prior to their release date and is funded by Alameda County Probation Department to rapidly rehouse those who are or could become homeless. It also participated actively in the Youth Transitions Planning partnership funded by Health and Human services (HHS) to ensure that no transitional age youth aging out of foster care exits to homelessness. The partnership works to coordinate the foster care and McKinney funded housing resources to ensure youth do not fall out of housing.

Alameda County is a "housing first" Continuum of Care. All funded programs prioritize finding clients permanent housing as quickly as possible without any clinical pre-conditions, such as sobriety, medication compliance or utilizing a shelter or transitional housing program first. We continue to expand Rapid Rehousing and Permanent Supportive Housing (PSH) throughout the county. Rapid Rehousing beds increased from 549 in 2019 to 633 in 2020. Likewise, county-wide PSH went from 2,376 beds in 2019 to 2,753 in 2020. VASH vouchers increased from 35 in 2019 to 325 in 2020. Measure A1 funding has been committed to 46 projects and 1,003 units targeted to homeless households within those projects.

The Tri-Valley Cities (Dublin, Livermore, and Pleasanton) work through many nonprofits to assist with the vulnerable population in the Tri-Valley. Agencies such as Open Heart Kitchen, Tri-Valley Haven, CityServe of the Tri-Valley, Hively, and ECHO Housing assist Pleasanton with wrap around services for Pleasanton residents to keep them in their homes and avoid homelessness.

**Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

We are building a Housing Crisis Response System in Alameda County that prevents homelessness whenever possible, provides dignified homeless safety net services, and maintains people in permanent homes with ongoing subsidies and services. Coordinated Entry is the front door and central organizing feature of the Housing Crisis Response System. The purpose of Coordinated Entry is to quickly assess the needs of people in crisis, connect them to available support, and track the outcomes and performance of the system. Coordinated Entry provides a standard and transparent way for the Housing Crisis Response System to effectively identify people in Alameda County who are experiencing a housing crisis and assess their needs, then prioritize and match them to the most supportive services and housing programs for which they are eligible. To do this, EveryOne Home manages a Countywide By-Name-List, which is maintained in HMIS and governed by all applicable privacy and security policies. Operation Vets Home is the collaborative continuum-wide effort to bring an end to veteran homelessness. Members consist of VA staff, veteran housing providers, and CoC staff. The group worked a By-Name-List of homeless veterans since the fall of 2015. As of September 2020, the BNL for homeless veterans stands at 548 individuals. Vets remain under 10% of the total homeless population, but the numbers grew in proportion to the overall growth in numbers. The number of chronically homeless vets is greater than last year even with increased VASH vouchers.

The Tri-Valley Cities have worked with Goodness Village, a new nonprofit organization that provides housing for previously unhoused residents in a “tiny homes” community located in Livermore. Goodness Village provides a 24/7 program for its 28 residents who were chronically homeless that imparts basic life skills, education, mental health and addiction services, micro-enterprise opportunities, apprenticeships, vocational training, peer support, and resources to empower participants to improve the quality of their lives, achieve self-sufficiency, and build a safer and more secure home and life.

## **CR-30 - Public Housing 91.220(h); 91.320(j)**

### **Actions taken to address the needs of public housing**

In collaboration with MidPen Housing Corporation, Kottinger Place (50 units), which was constructed in the 19070s and was the only Public Housing development in Pleasanton, and Pleasanton Gardens, a 40-unit Section 236 / Section 8 elderly housing complex across the street, were successfully redeveloped in to a new Lower Income Housing Tax Credit (LIHTC) project with 185 total units for rental at very low and extremely low income levels. Consequently, the Pleasanton Housing Authority is the process of dissolution as Kottinger Place is no longer a public housing property.

The Housing Authority of the County of Alameda (HACA) that serves all cities in Alameda County does not have any public housing sites in Pleasanton. HACA does administer the Section 8 Voucher program and the Shelter Plus Care certificate programs. As of August 2022, there are 302 vouchers and 3 Shelter Plus Care certificates being utilized by Pleasanton residents.

### **Actions taken to encourage public housing residents to become more involved in management and participate in homeownership**

Kottinger Place was Pleasanton's only Public Housing development. At the present time, all residents are elderly. While they are encouraged to be involved in management activities (e.g., through regular resident meetings), there is no program to promote home ownership due to the nature of the resident population.

### **Actions taken to provide assistance to troubled PHAs**

Not applicable. The Pleasanton Housing Authority has been designated as a High Performing PHA by HUD.

### **CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)**

**Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)**

The City recently completed an update to its Housing Element which was subsequently certified by the State. The update includes revised policies that will guide City programs for affordability, preservation, discrimination, and other housing-related concerns consistent with state and federal requirements concerning housing affordability. The updated Housing Element incorporates the new regional housing needs determination "fair share" targets that were recently established by the Association of Bay Area Governments (ABAG). Most significantly, the Housing Element identified approximately 70 acres of land for new high density residential development which has created new opportunities for the development of new affordable rental housing in coming years. The 70 acres is spread over approximately 20 individual sites of varying sizes that are located throughout Pleasanton. The City Council approved rezoning for all of the affected properties in 2012, and eight (8) new multi-family residential projects have been constructed. The City's General Plan recently underwent a comprehensive update which was approved by the City Council in 2009.

### **Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)**

The City's Housing Commission (HC) continued to address affordable housing issues during FY 2021/22. The HC was formed in 1996 and has since taken on a strong role as an affordable housing advocate, reviewing and formulating recommendations concerning City policies for affordable housing projects, a budget for use of the City's Housing Fund, requests for City fee waivers, the development of incentives for affordable housing developers, inclusionary zoning policies, rent increases relative to Section 8 assistance, and other issues.

### **Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)**

No specific housing rehabilitation programs were implemented during the program period to reduce lead-based paint hazards inasmuch as the City's housing stock is generally young and in good condition. Mitigations continue to be implemented on an as-needed basis in conjunction with the City's housing rehabilitation program (funded with federal CDBG and HOME funds as well as the City's Lower Income Housing Fund and administered by Habitat for Humanity). The City is not currently a party to the joint powers agreement which established Alameda County's existing lead abatement program. The City will consider conducting targeted mailings to existing homes built before 1978 as deemed necessary.

### **Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)**

The City established the Tri-Valley Housing Scholarship Program in the late 1990's, and this program has been revamped as the City's Rapid Re-Housing Program to assist persons who are homeless or at risk of homelessness by providing them with a gradually reducing rental subsidy to allow them to become fully self-sufficient in pay their own rent. CityServe provides emergency rental assistance for back rent and/or security deposits and move-in costs, motel vouchers, and other resources to prevent Pleasanton residents from becoming homeless. No additional specific anti-poverty programs or strategies were initiated locally during the program period inasmuch as Pleasanton has a low poverty level relative to other areas of Alameda County.

### **Actions taken to develop institutional structure. 91.220(k); 91.320(j)**

The City's Housing Manager is responsible for coordinating a variety of housing-related efforts which have heretofore been distributed among various City departments and contract agencies. As described earlier, the City established a Housing Commission in 1996. This commission has taken on a strong role as an affordable housing advocate. The Housing Commission has established several project-specific task forces (e.g., the Assisted Living Facility Subcommittee, the Kottinger Place Redevelopment Task Force, City Council / Commission Grant Process Working Group, etc.) to work on specific affordable housing projects and activities.

In FY 2021/22, the City completed the twelfth (12th) full year of implementation of the City's community grant allocation program that consolidated funds from multiple sources (e.g., CDBG, HOME, City Lower Income Housing Fund, and General Fund dollars for human services) into a single allocation process called the Housing and Human Services Grant (HHSO) program. The HHSO program was introduced in 2009 and has increased the aggregate amount of funding available agencies as well as the efficiency in allocating and utilizing the funds. The application process was converted to an online system (ZoomGrants) for the FY 2010 funding cycle, and all reporting and invoicing is now being conducted electronically. Such enhancements to the local institutional structure continue to improve the City's ability to coordinate and deliver housing and human services.

### **Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)**

The City of Pleasanton has continued to participate in the Tri-Valley Affordable Housing Committee (TVAHC), which is made up of representatives from the jurisdictions in the Tri-Valley area (Pleasanton, Livermore, Dublin, San Ramon, Danville, and the counties of Alameda and Contra Costa). Pleasanton has cooperated in many instances with the cities of Livermore and Dublin to fund projects and services which are of benefit to the Tri-Valley area, assisting agencies which are located outside of Pleasanton but provide important services to Pleasanton residents. Examples of such support include:

- Arroyo Vista (Dublin)
  - Public Housing (rental) for very low income families
- Kaleidoscope Activity Center (Dublin)
  - Educational program for children with developmental disabilities
- Arroyo Commons (Livermore)
  - Rental housing for adults with developmental disabilities
- Las Posadas (Livermore)
  - Rental housing for very low income families
- Livermore Transitional Housing (Livermore)
  - Transitional housing facility for families emerging from homelessness
- Tri-Valley Haven for Women (Livermore)
  - Shelter for women and children victims of domestic violence
- ECHO Housing
  - Non-profit provides tenant-landlord and fair housing counseling and homebuyer and credit counseling education
- Alameda County Linkages Program (Alameda County)
  - Temporary rent subsidies for dually-diagnosed persons emerging from homelessness
- Housing Alliance Project (Castro Valley)
  - Rental housing for very low income persons with special needs

- Fremont Oak Gardens (Fremont)
  - Below market rental housing for deaf senior citizens
- Carmen Ave. Apartments (Livermore)
  - Rental housing for adults with disabilities and for victims of domestic violence

During FY 2021/22, in spite of increasing land costs and community pressures to curtail additional development, the City continued to work with private developers to encourage the construction of affordable housing in Pleasanton.

**Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)**

As an active member of the Alameda County HOME Consortium, the City continues to adhere to the Consortium’s Analysis of Impediments to Fair Housing (AI) update that was completed in early 2015. A Consortium-level approach has been deemed appropriate for this type of analysis because the constraints to fair housing choice, as well as the opportunities to address these constraints, are common to the jurisdictions in our sub-region. The HOME Consortium Analysis of Impediments includes demographic information for each jurisdiction, an evaluation of each jurisdiction’s fair housing status, a description of public and private impediments to fair housing choice, and an assessment of current public and private fair housing programs.

In FY 2018-2019, the Alameda County HOME Consortium, in collaboration with the cities of Berkeley and Oakland and the housing authorities of the cities of Alameda, Berkeley, Livermore, and Oakland, have begun the process of updating the 2015 AI. The new AI was submitted prior to the December 31, 2019 deadline.

As described earlier, the City provides fair housing and housing counseling services to area residents through a contract with ECHO Housing. The City’s funding of this service is high on a per-capita basis relative to other communities, and the majority of this service is paid for with local rather than HUD funds. In addition to the general services provide through the City’s contract with ECHO, the City of Pleasanton has been active in the following areas:

- Annual sponsorship of the East Bay Housing Organization (EBHO) whose efforts focus on a public education campaign to address local opposition to and misconceptions about affordable housing. The City has previously collaborated with EBHO and with other local jurisdictions to conduct public tours of local affordable housing projects and forums focused on specific housing issues, usually in conjunction with the annual “Affordable Housing Week” events.
- Collaborative funding of regional housing projects benefiting Pleasanton residents (listed earlier).
- An extensive Housing Rehabilitation Program through a contract with Habitat for Humanity, the City’s housing rehabilitation program administrator, which ensures outreach to minority and women contractors as well as local business enterprises.
- Rehabilitation grants and loans available to assist landlords in removing accessibility barriers to expand rental opportunities for persons with physical disabilities.
- Use of local, State, and HOME funds to construct and or acquire and rehabilitate housing units for rental by persons with physical, mental, and developmental disabilities.
- Sponsorship of the Rapid Re-Housing Program, formerly the Tri-Valley Housing Scholarship Program, through a contract with Abode Services, which offers tenant-based rental assistance to households who are homeless or at risk of being homeless.

## **CR-40 - Monitoring 91.220 and 91.230**

### **Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements**

The City continues to implement procedures targeted at ensuring compliance with program requirements on an on-going basis. Since becoming an entitlement city in FY 1994, staff has refined procedures for monitoring subrecipients, tracking fixed assets, ensuring compliance with wage requirements, and other provisions. City staff has acquired additional ideas from other jurisdictions which are planned for implementation in the near future to further improve program compliance. For example, several years ago, staff from the cities of Pleasanton and Livermore began to collaborate in annual monitoring visits with subrecipients that are funded by both cities. This relationship was expanded in 2012 to include the City of Dublin (a non-entitlement Urban County jurisdiction).

The City maintains an active database of potential interested parties and uses it to send out notification of grant funding opportunities at the beginning of every application cycle (early December). The list currently includes approximately 250 nonprofit agencies, individuals, and other interested parties. In addition, ads are placed in local newspapers (including the Pleasanton Weekly which is distributed to every household in Pleasanton) and on the City's website. Several years ago, the City converted its grant management system to an online system supported by ZoomGrants. This provides a new and effectively global means of access to the City's annual grant funding opportunities.

The City works closely with Habitat for Humanity to maintain a database of minority and female-owned businesses that are eligible to provide work on grant and loan jobs through the City's Housing Rehabilitation Program. Grant agreements include all applicable language requiring subrecipient conformance with prevailing wage, MBE/WBE, Section 3, and other applicable federal and local requirements.

## **Citizen Participation Plan 91.105(d); 91.115(d)**

### **Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.**

The City provides several opportunities to solicit comments from the public on the CAPER:

- The draft CAPER report will be posted on the City's website with the current Consolidated Plan and Action Plan. Members of the public are provided numerous ways to provide comments to the City beginning August 31<sup>st</sup> through September 14<sup>th</sup>, 2022. This is public comment period meets HUD's 15-day public comment period requirement.
- Subrecipients of grant funds are sent direct notices via email and regular mail.
- The County of Alameda coordinates a regional public review period for the annual CAPER through the Alameda County HOME Consortium (of which Pleasanton is a member jurisdiction).

**CR-45 - CDBG 91.520(c)**

**Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.**

There are no changes to the City's program objectives.

**Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?**

No

### CR-58 – Section 3

Identify the number of individuals assisted and the types of assistance provided

Total Labor Hours	CDBG	HOME	ESG	HOPWA	HTF
Total Number of Activities	1	0	0	0	0
Total Labor Hours	0				
Total Section 3 Worker Hours	0				
Total Targeted Section 3 Worker Hours	0				

**Table 8 – Total Labor Hours**

Qualitative Efforts - Number of Activities by Program	CDBG	HOME	ESG	HOPWA	HTF
Outreach efforts to generate job applicants who are Public Housing Targeted Workers					
Outreach efforts to generate job applicants who are Other Funding Targeted Workers.					
Direct, on-the job training (including apprenticeships).					
Indirect training such as arranging for, contracting for, or paying tuition for, off-site training.					
Technical assistance to help Section 3 workers compete for jobs (e.g., resume assistance, coaching).					
Outreach efforts to identify and secure bids from Section 3 business concerns.					
Technical assistance to help Section 3 business concerns understand and bid on contracts.					
Division of contracts into smaller jobs to facilitate participation by Section 3 business concerns.					
Provided or connected residents with assistance in seeking employment including: drafting resumes, preparing for interviews, finding job opportunities, connecting residents to job placement services.					
Held one or more job fairs.					
Provided or connected residents with supportive services that can provide direct services or referrals.					
Provided or connected residents with supportive services that provide one or more of the following: work readiness health screenings, interview clothing, uniforms, test fees, transportation.					
Assisted residents with finding child care.					
Assisted residents to apply for, or attend community college or a four year educational institution.					
Assisted residents to apply for, or attend vocational/technical training.					
Assisted residents to obtain financial literacy training and/or coaching.					
Bonding assistance, guaranties, or other efforts to support viable bids from Section 3 business concerns.					
Provided or connected residents with training on computer use or online technologies.					
Promoting the use of a business registry designed to create opportunities for disadvantaged and small businesses.					
Outreach, engagement, or referrals with the state one-stop system, as designed in Section 121(e)(2) of the Workforce Innovation and Opportunity Act.					
Other.

Annual Accomplishments

Years	Accomplishment Narrative	# Benefiting
2017	The solar panels installation for Tri-Valley Haven is still underway. In FY 2017-2018, Tri-Valley Haven successfully selected a project manager, Kenneth Jones from Landis Development, who will oversee not just installation of the solar panels, but the general renovation of all 3 Tri-Valley Haven facilities: a homeless shelter, a domestic violence shelter, and administration building. In FY2017-2018, Tri-Valley Haven continued to provide shelter and services to clients: 113 women and 177 children at Shiloh (domestic violence shelter) and 40 adults and 32 children at the Sojourner homeless shelter.	
2018	Tri-Valley Haven will be undertaking a more substantial rehabilitation (as supposed to the original plan of installing solar panels) to its Homeless and Domestic Violence shelters and community building. A Project Manager, Kenneth Jones with Landis Development, and Walovich Architects have been hired. A destructive testing for the buildings have been completed.	
2019	During FY 2019-2020, the project experienced delays as the architect Walovich Architects was not able to complete the architectural drawings due to labor shortages and multiple parallel commitments. Landis Development continued to fine tune the Invitation to Bid. Minor lead/asbestos removal work was also completed. Once the architectural drawings are completed, the Bid Notice will be published to invite contractors to walk the project and submit their bid proposals.	
2020	During FY 2020-2021, this project showed tremendous progress towards getting started and completed. A Bid Notice was published in July 2020, but the project was put out to bid again in September 2020 after there was no contractor showed up at the Mandatory Bid Walk. In October 2020, Saarman Construction was selected as the general contractor. Construction commenced on March 2021 with the project projected to be completed in fall 2021.

2020	During FY 2020-2021, this project showed tremendous progress towards getting started and completed. A Bid Notice was published in July 2020, but the project was put out to bid again in September 2020 after there was no contractor showed up at the Mandatory Bid Walk. In October 2020, Saarman Construction was selected as the general contractor. Construction commenced on March 2021 with the project projected to be completed in fall 2021.

Annual Accomplishments

Years	Accomplishment Narrative	# Benefiting
2019	In FY 2019-2020, CityServe continued to finalize its architectural and engineering drawings. Due to the Shelter-In-Place (SIP) mandate, this project was put on hold. Then in Spring/Summer 2020, the City of Livermore decided to take charge of this project since the Multi-Service Center building is a city-owned facility. Both the City of Livermore City Engineer and Architect are reviewing the preliminary drawings. It has also been decided that the City of Livermore Engineering Department will issue the bid notice and select a contractor for this project.	
2020	In FY 2020-2021, significant progress were made for the project. In October 2020, The City of Livermore officially took over project management from CityServe of the Tri-Valley. The City of Livermore Engineering Department also issued the bid notice, and a contractor was selected. Construction is projected to begin in Summer 2021 and be completed by Fall 2021, a roughly estimated 3-4 months for construction.

Annual Accomplishments

Years	Accomplishment Narrative	# Benefiting
2021	Axis Community Health provided 6,851 Pleasanton residents with both clinic-based and telehealth medical services to assess patients for symptoms of COVID-19 or other infectious diseases. Axis Community Health provided diagnostic, treatment and follow-up care for patients who are at-risk or diagnosed with COVID-19 or other infectious diseases; coordinated related ancillary services to include testing, contact testing, pharmaceuticals and home diagnostic equipment as appropriate; and provide patient, family, and community education regarding infectious disease prevention. Axis Community Health also provided COVID-specific services for testing and vaccination for Pleasanton residents.

# Citizen Participation

## FY 2021/22 Consolidated Annual Performance Evaluation Report (CAPER)

### Citizen Participation

In compliance with the City's Citizen Participation Plan, the City of Pleasanton provided its residents several opportunities to comment on the FY 2021/22 CAPER. The City solicited public comments by:

- Posting the draft CAPER report on the City's website from August 31<sup>st</sup> through September 14<sup>th</sup>, 2022. This public comment period meets HUD's 15-day public comment period requirement.
- Providing the website link of the draft CAPER to subrecipients, other agencies, and those on the City's CDBG distribution list.
- Holding a public hearing to review and approve the draft CAPER at the City of Pleasanton Housing Commission meeting on August 18, 2022.
- Holding a public hearing to review and approve the draft CAPER at the City of Pleasanton Human Services Commission meeting on September 7, 2022.
- Collaborating with the Alameda County HOME Consortium to hold a "virtual" public hearing on the draft CAPER on September 13, 2022.

Written comments or inquiries may be submitted to Steve Hernandez, Housing Manager, at [shernandez@cityofpleasantonca.gov](mailto:shernandez@cityofpleasantonca.gov) or at 925-931-5007.

Any public comments received on the City of Pleasanton Draft FY 2021/22 CAPER will be included in the final FY 2021/22 CAPER.
