

## MEMORANDUM

**Date:** November 21, 2025

**To:** Mayor and City Council

**From:** Gerry Beaudin, City Manager 

**Subject:** 2026 Council Subcommittee and Local/Regional Board Assignments

---

In addition to your regular Council duties, the Mayor and Councilmembers represent Pleasanton on numerous local and regional boards, commissions and committees that consider a wide range of policy matters affecting our community. *City Council Rules of Procedure*, Section 6.2, states that in December of each year, or as vacancies occur, the Mayor with approval of Council, shall make appointments to these local and regional boards.

A worksheet is attached that lists current appointments and is divided into two sections, Council Subcommittees and Local and Regional Boards.

Changes to the list from last year include the dissolution of the City of Livermore and City of Dublin liaison subcommittees. The City of Livermore already dissolved this committee in 2025. The cities of Pleasanton, Dublin, and Livermore are committed to continued partnership, collaboration, and communication that will not be adversely impacted by this change.

The mayor's appointments will be an agenda item at your December 16 meeting. Therefore, we are asking that you inform us **no later than Noon on Monday, December 1, 2025**, of your preferences so that they may be transmitted to Mayor Balch for his consideration and to allow time to complete the agenda report. You may drop it by my office or email Lisa Tarnow at [ltarnow@cityofpleasantonca.gov](mailto:ltarnow@cityofpleasantonca.gov).

Please contact me with any questions.
