

Join Us to Build Safer Streets & Connected Community!

PLEASANTON TRANSPORTATION SAFETY ACTION PLAN

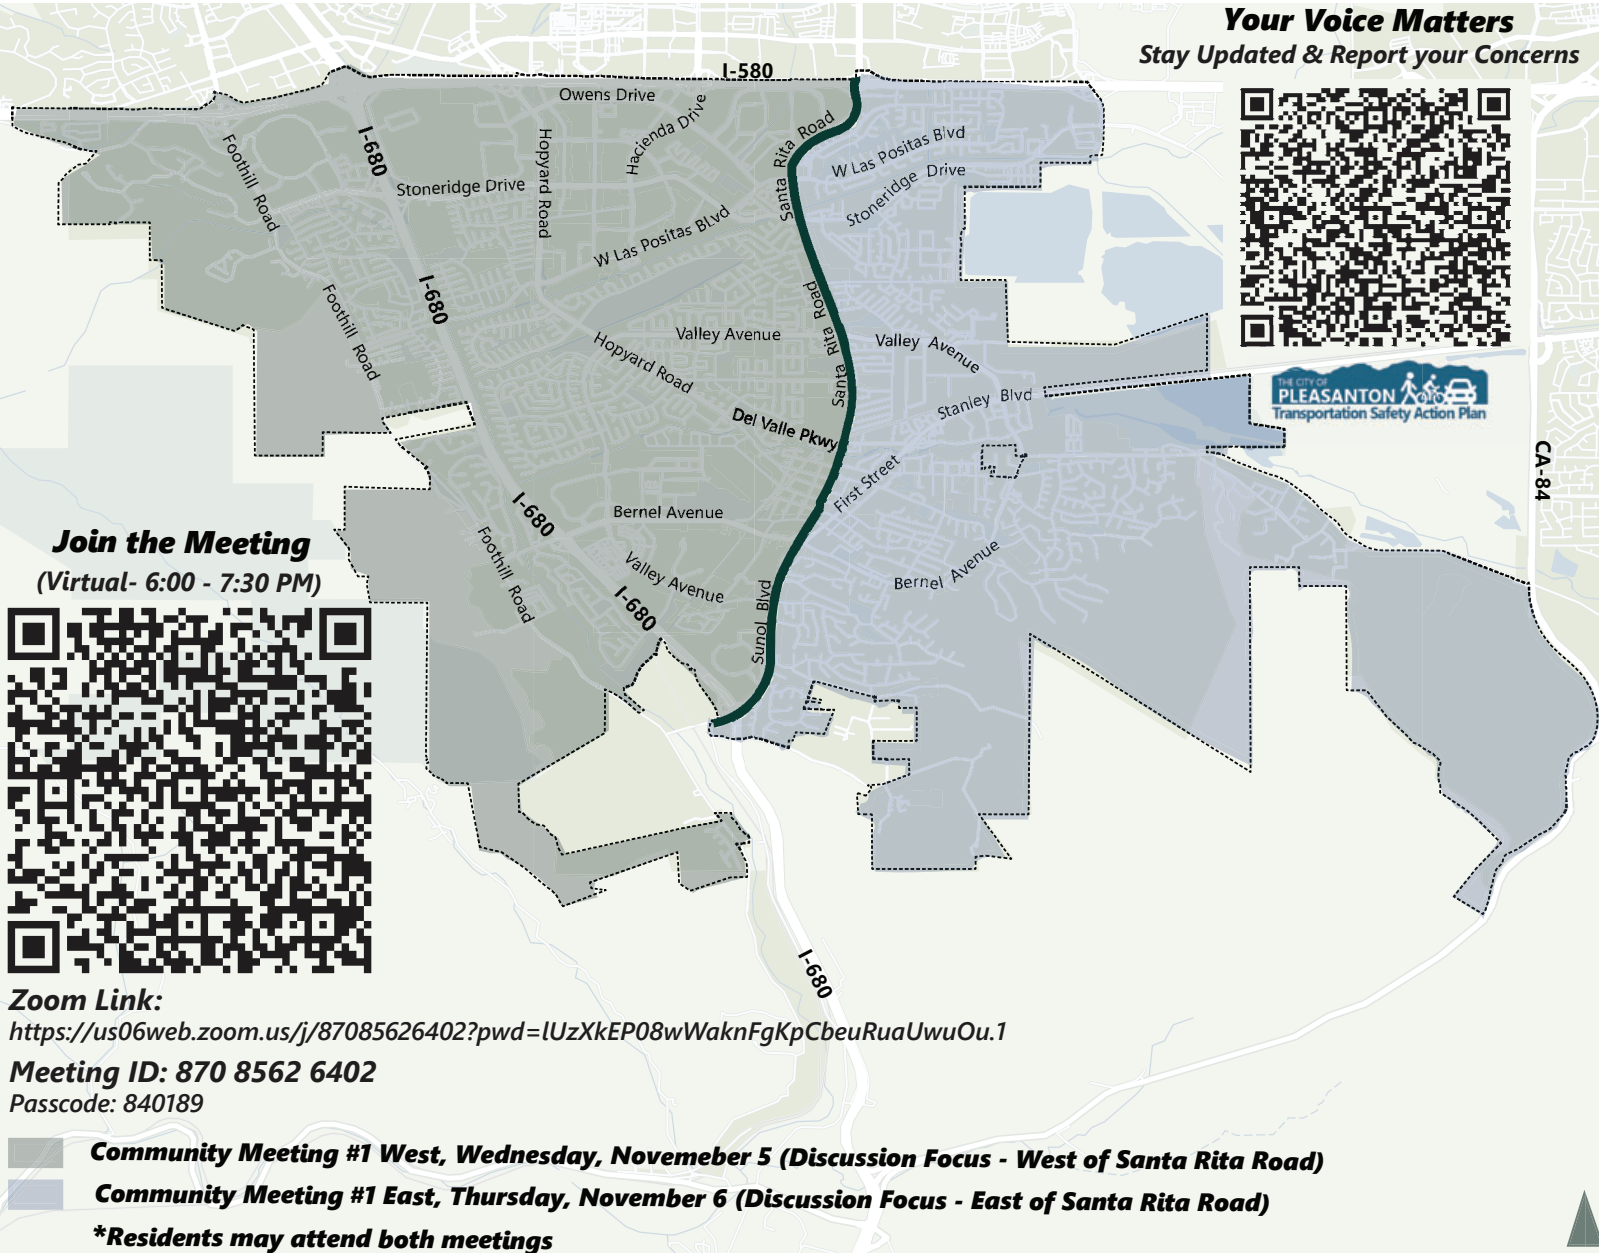

The City of Pleasanton is developing a Transportation Safety Action Plan (PTSAP). The PTSAP will help achieve the goal of eliminating traffic fatalities and serious injuries through proven safety strategies, community input, and data-driven solutions. Your input is important as projects will be identified to make streets safer for drivers, pedestrians, bicyclists, and all other roadway users.

Share your experiences about traffic safety in Pleasanton and help us prioritize improvements.

Your Voice Matters
