

# CITY OF PLEASANTON

## Transportation Safety Action Plan

The City of Pleasanton is developing a Transportation Safety Action Plan (PTSAP). The PTSAP will help achieve the goal of eliminating traffic fatalities and serious injuries through proven safety strategies, community input, and data-driven solutions. Your input is important, as projects will be identified to make streets safer for drivers, pedestrians, bicyclists, and all other roadway users.

**Help us make Pleasanton safer and more accessible for everyone - whether you walk, bike, take transit or drive!**
