

Five Leading Causes of Pedestrian Deaths and Injuries

1. Children running into the street mid-block or from the corner.

Niños que atraviesan corriendo a mitad de la calle o en la esquina.

2. Vehicles turning into a path of a child.

Autos dando vuelta cuando un niño atraviesa la calle.

3. Children hidden by ice-cream trucks or other street vendors.

Niños bloqueados por los vehiculos de helados u otros vendedores ambulantes.

4. Children hidden by school buses.

Niños bloqueados por un autobus escolar.

5. Vehicles backing up in the street, a driveway or parking lot.

Autos avanzando en reversa cuando estan estacionados o en la entrada de un coche.
