Suspicious Incident at Amador Valley High School

This morning at about 10:05 AM, Amador Valley High School staff notified the Pleasanton Police Department of a suspicious incident that occurred on campus. A police supervisor and the School Resource Officer responded and learned that two students had sustained minor injuries as a result of a small glass bottle bursting near the quad area. At this point the Police Department is working to determine if this incident was an accident or the result of somebody purposely discharging a “dry ice” or similar type of device.

The Pleasanton Police Department and Amador Valley High School staff are working together to investigate this matter. Anybody with any information about this incident is asked to contact the Pleasanton Police Department Investigations Division at (925) 931-5100.
