### Mail Thieves Arrested

On November 4, 2016 at 0120 hrs. an alert citizen on Angus Way called Pleasanton Police Dispatch reporting that he confronted a female in his front yard who was carrying a large amount of mail. The female fled to a waiting vehicle as the citizen called 9-1-1 and provided the vehicle and suspect description. Within a minute Officer Rich Trovao located the vehicle leaving the residential area and conducted a traffic stop. Inside the vehicle officers located stolen property, methamphetamine, drug paraphernalia, and stolen mail and credit cards from victims in Pleasanton and San Joaquin County. Officers also followed a trail of mail on the route the vehicle took leaving the residential area, which was discarded by the suspects as they fled. Both occupants, Tiffany Pigg, 30 years old, and Alicia Davis, 28 years old, are from Stockton. They were arrested and booked in Santa Rita Jail on charges of mail theft and drug possession.

The Pleasanton Police Department depends on the relationships we have with our community to stay alert and immediately call the police if suspicious activity is observed.

The Pleasanton Police Department also emphasizes that thieves are opportunistic and prey on people who leave their property unsecured and valuables in their vehicles. A very high percentage of thefts are from vehicles that are unsecured. We ask the community to help us in keeping us all safe by taking simple steps to secure property. For tips and suggestions of how to prevent crime in our community, please contact the Crime Prevention Unit at 925-931-5100.

Photographs of the two suspects are on page 2 of this press release.
