ROUTINE MAINTENANCE SHUTS PLEASANTON SENIOR CENTER

Center to Close for One Week in July

PLEASANTON, Calif. — The popular Pleasanton Senior Center will close for one week for routine maintenance from Monday, July 24 through Friday, July 28, 2017 and will reopen on Monday, July 31, 2017 for regularly scheduled programs.

During the center closure period of July 24 through July 28, the Sage Café will be closed but for other meal options, Open Heart Kitchen offers a dinner program at Ridgeview Commons (the Ridgeview Café) Monday through Friday from 4-6 p.m. for a suggested \$3 donation. Ridgeview Commons is located at 5200 Case Avenue in Pleasanton. For dinner reservations, please call 925-484-5131. Pleasanton Paratransit Services will continue to operate and tickets will be on sale during the closure.

Over the course of the one-week closure period, routine cleaning and maintenance projects will be conducted. Because the center also functions as a busy community center on weekends, such maintenance is regularly scheduled to keep it in good condition for all public use.

The Pleasanton Senior Center offers more than 25 classes each week, as well as the administration of the popular Pleasanton Paratransit Program, which provides door-to-door shared ride services for

eligible Pleasanton and Sunol residents (70 years of age and older and those that are ADA certified). On a monthly basis the Center also offers free movies, a lecture series, a personal technology users group (PTUG), a Day Trippers program, a Newcomer's Welcome, weekly walking and bicycling groups, knitting and other classes.

The Pleasanton Senior Center also partners with agencies and business to provide services that include a weekday lunch program and Meals on Wheels (Spectrum Community Services), health screening and foot care (Senior Support Program of the Tri-Valley), a Caregivers Support Group (Senior Support Program of the Tri-Valley), free notary assistance, eye glass repairs, legal assistance (Legal Assistance for seniors), AARP Mature Drive classes (offered quarterly), a Parkinson's support group, and one-on-one computer training.
